F O R E W O R D

On behalf of the Central Georgia Genealogical Society, I wish to express our appreciation to our member Mrs. Addie P. Howell for her abstracting and compiling the 1860 census and to our member Mr. William R. Henry for editing her hand written draft and entering on computer. They have devoted many hours of labor in research and preparing transcripts in final form for printing.

We wish also to express our graditude to the Trustees of the R. J. Taylor, Jr. Foundation who awarded our Society a grant to assist in the various non-labor costs of compiling the census and the publication costs. The Foundation also absorbed the expense for publishing twenty-five additional copies which they will distribute to various libraries within the United States.

It should be noted that this is the fourth Federal Census of Houston County. The county was created from Creek Indian land in 1821 using the land lottery system and became Georgia's fifty-first county. It was named for John Houston who served as Governor from 1778 to 1784. Perry is the county seat.

Transcribed and condensed from Federal Census Microfilm M653-0127. The spelling of all names represents the compiler's and editor's interpertation of that written by the Enumerator. No changes were made to the spelling of a name even if it was known or appeared to be incorrect. Many characters used by the Enumerator in his script was difficult to interpret. He often spelled a surname differently when carring the children over to the next page. Common names like Nancy and Helen may be found herein as Nancey and Hellen.

The Enumerator made his first entry on 4 June 1860 and his last entry on 8 Aug. 1860. Our analysis indicates that he either failed to cover the entire county or part of his records are missing. There was no return for the 6th, 10th, and 12th Districts, and the total population enumerated was some 1500 less than the 1850 census. The county boundary did not have a significant change between 1850 and 1860.

This census was entered on computer and the format used was automatically alphabetized within each dwelling number. The Enumerator did not use the family number within each dwelling number. Therefore if more than one surname appeared within the same dwelling number we entered an "H" in the Remark Column to indicate the person who was listed on the first line. In most cases it would appear that the person on the first line was "Head of household", but this must be treated only as an assumption.

INTERPRETATION OF TERMS:

Column 1: Dwelling number is order of visitation.
Column 2: Name of each person whose place of abode on 1 June 1860 was in this family.
Column 3: Age.
Column 4: Sex.

1860 HOUSTON COUNTY, GEORGIA

This sketch shows the 1860 layout of Houston County by Land Districts and it neighbors. That referred to as "The Town District" was actually a Georgia Military District (GMD) within the county and was normally composed of parts of the 10th, 11th, 12, and 13th Land Districts as described in our publication of the 1850 Federal Census for Houston County, GA. However the jurisdiction of GMD's were often varied to accomodate changes in Captains, Voting Precincts, Constables, and Justices of the Peace and the exact jurisdiction at time of the 1860 census is not known. Nevertheless there was no return included for the 6th, 10th, and 12th Districts and the total population count, being considerable less than in 1850, indicates 2000 to 3000 names may be unaccounted for. Refer to the following Introduction page for further analysis and for the dwelling numbers within each district of the census.

In 1837 Macon County was established from Marion County, the northwest tip of Dooly County, and the 8th and 15th Land Districts of Houston County. In 1870 the western part of the 14th Land District and the southwest part of the 9th Land District became a part of Macon County forming the western boundary of Houston County as shown by the broken line. In 1924 Peach County was established from parts of the 5th, 6th, 8th, 9th, and 10th Land Districts formin the current upper western boundary of Houston County as shown by the dotted line.

CENTRAL GEORGIA GENEALOGICAL SOCIETY, INC.
POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U. S. Internal Revenue Service has determined that the Society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

GEOGRAPHICAL AREA: The Society's area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX, and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical, and heraldic data;

To inculcate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues are: $15.00 for individual membership; $20.00 for family membership (husband and wife, or two related persons in same household), and $30.00 for sustaining membership (minimum - no maximum).

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published in March, June, September, and December and is mailed to all members in good standing. The Society exchanges quarterlies with a number of genealogical societies and mails free copies to selected libraries. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. These books then become part of the Society's permanent library. Members are encouraged to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without prior permission from the copyright holder. The Society, and authors of articles, will appreciate appropriate credit. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society, when available, within one year from date of publication for $3.00 per issue — postpaid within the U.S. After one year, or earlier if stock is depleted, copies must be photocopied locally and the cost is $4.00 per issue, postpaid within the U.S.

FAMILY PEDIGREE CHARTS: The Society welcomes the opportunity to publish pedigree charts for members in good standing. Minimum coverage of four generations is required. When you submit your pedigree for publication you may order additional copies of your chart. Copies are printed in reduced size on 8½ x 11-inch paper (standard typewriter paper). The MINIMUM ORDER is $2.00
PREpublication prices:

20 charts $2.00	80 charts $6.40	For copies of more than one chart you may order in minimum increments of 10 copies per chart.
30 charts $2.80	90 charts $7.10	
40 charts $3.60	100 charts $7.70	
50 charts $4.30		Add 70¢ for each additional 10 charts over 100 charts.
60 charts $5.00		
70 charts $5.70		

After publication cost is 15¢ each — minimum order ten copies.

continued

TRAINING: Twice each year the Society conducts classes for beginning genealogists. These classes are free and available to members only.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and will vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information. The Society, in cooperation with the University of Georgia, Athens, Georgia microfilmed the "Houston Home Journal" newspaper and placed a complete set of films in the Nola Brantley Memorial Library, Warner Robins, Georgia. The Society also reprinted the "First 110 Years of Houston County,Georgia" a history of the county first published in 1932. Other projects, such as publishing county census records, are planned. Also bound copies of the Quarterly complete with a name index.

RESEARCH: From time to time the Society plans to offer special research services to the members. This will be on a limited basis and a small fee will be charged to produce income for the Society.

PROBLEM SOLVING: Members are invited to submit their genealogical problems for solution. When submitting a problem always state what you have tried to solve the problem. This is very important so that those things which you have tried, and found inadequate, will not be suggested as a possible solution. We will publish your problem, with one or more possible solutions when available, in the monthly NEWSLETTER. If we do not have a solution at the time we will publish your problem and ask for suggestions .rom our readers. This IS NOT an offer to do your research, but to suggest ways in which you might accomplish your research or solve other problems which you have. Problems should be typewritten, double spaced, one side of paper only, and each page should have the member's name and address thereon. When we publish a problem we will not show a member's name nor address — only the member's state of residence will be shown. Suggested solutions will be published ONLY IN THE NEWSLETTER — replies will not be made to individual submitting a problem. This is a free service for members only. Mail your problems to CGGS, Attn: Research Editor. The Publications Committee reserves the right to edit/rewrite problems received and to reject those considered inappropriate for publishing.

ADVERTISING: The Society accepts classified and display ads for publishing in the QUARTERLY. Only ads of genealogical/historical interest; including supplies and services, books and periodicals, educational programs and opportunities, workshop/seminar announcements, etc., will be accepted. CGGS will consider entering into reciprocal agreements with other genealogical organizations for publishing announcements pertaining to activities thereof. A display ad layout sheet, with cost for various size ads, is enclosed with each issue of the Quarterly.

MEETINGS: The Society holds regular monthly meetings with planned programs. In addition to the planned program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guests are always welcome to attend any regular meeting of the Society. Our current membership covers many states and we invite you to join our Society. For membership application write to the Corresponding Secretary at address shown above.
